

## Cross The Desert

Words and Music by Robin Mann

*Chorus: Cross the desert, God is calling,  
cross the desert is the way He planned.  
Cross the desert we will follow,  
cross the desert to the promised land.*

1. This is the way, there is no other,  
this is the way the Spirit leads,  
calling us to begin our journey  
learning of God at Jesus' feet.
2. This is the way that Jesus travelled,  
tempted he was by power and fame.  
He didn't fall like Eve and Adam,  
his is the victory that we claim.
3. This is the way for hungry beggars -  
all that we have is from his hand;  
Jesus, our life, our bread, our water -  
under the cross is where we stand.
4. This is the way to resurrection,  
sharing the sufferings Jesus knew,  
sharing his gifts with one another -  
this is the way he leads us through.
